

WEALTHCOIN

FOUNDING CHARTER

BUILT ON FAITH. DRIVEN BY INTEGRITY. COMMITTED TO STEWARDSHIP.

OPENING SCRIPTURE

“

“And the LORD God took the man and put him into the garden of Eden to dress it and to keep it.”

GENESIS 2:15 (JUB)

OPENING PRAYER

Heavenly Father,
Everything belongs to You.
Grant us wisdom to steward faithfully what You have entrusted to us. Let integrity guide our decisions, humility shape our leadership, and love define how we serve others. Guard us from pride, greed, and selfish ambition, and may everything accomplished through WealthCoin ultimately bring glory to You through Your Son, Jesus Christ. Amen.

OUR COMMISSION

The commission of WealthCoin is not our own. It is the commission given by our Lord Jesus Christ:

“Go therefore and make disciples of all nations...”

MATTHEW 28:18-20 (JUB)

OUR IDENTITY

WealthCoin is a mission-driven financial technology ecosystem rooted in biblical principles of stewardship, transparency, education, community, and service.

We believe technology is a gift that should be developed responsibly, used wisely, and stewarded faithfully for the benefit of people and the glory of God.

OUR STEWARDSHIP

Stewardship is woven into humanity's purpose from the very beginning. God placed Adam in the Garden of Eden “to dress it and to keep it” (Genesis 2:15, JUB), entrusting him with the care of His creation.

We believe this same calling continues today, guiding how we steward every resource and opportunity God entrusts to us—including technology, leadership, finances, relationships, and creation itself.

Everything entrusted to us ultimately belongs to God.

Our responsibility is not merely to build successful technology, but to faithfully steward every opportunity with wisdom, humility, integrity, transparency, and service.

We desire that every decision, every policy, and the long-term direction of WealthCoin remain continually aligned with the teachings and principles of Holy Scripture.

OUR FOUNDATION

Scripture is our foundation.

Prayer is our first response.

Stewardship is our philosophy.

Transparency is our commitment.

Technology is our tool.

Service is our purpose.

OUR MISSION

To faithfully steward blockchain technology by building transparent financial tools that strengthen individuals, equip communities, promote education, encourage responsible innovation, and expand opportunities for humanitarian service while honoring God.

OUR VISION

Building a Global and Faithful Stewardship Ecosystem in the Age of Blockchain.

OUR COMMITMENTS

- Integrity before profit.
- Transparency before hype.
- Stewardship before speculation.
- Education before incentive.
- Service before recognition.
- Humility in leadership.
- Responsible innovation.
- Stewardship of God's creation.
- Long-term thinking.
- Accountability to our community.

STEWARDSHIP OF CREATION

We believe caring for God's creation is part of faithful stewardship.

We hope to encourage conservation, responsible AI infrastructure, sustainable computing, environmental restoration, and innovation that wisely stewards natural resources for future generations.

WEALTHCOIN ACADEMY

Knowledge is freely shared. Wisdom is the true reward.

The WealthCoin Academy exists to equip people through education, not financial incentives.

Courses and certifications will be freely available because genuine learning should be pursued for its own value.

STEWARDSHIP ASSISTANCE

Prayer, devotional encouragement, and acts of compassion will never require payment.

We freely give because God's grace was freely given to us.

YOU CAN BELONG BEFORE YOU BELIEVE

Everyone is welcome within the WealthCoin community.

We openly share the love of God and His Son Jesus Christ because He is the foundation of this project and the hope we desire to share.

Our prayer is that one day Christ may also be received into your heart, but every person will be treated with dignity, kindness, honesty, and respect regardless of belief.

WHAT WEALTHCOIN IS NOT

- WealthCoin is not the Gospel.
- WealthCoin is not a church.
- WealthCoin is not spiritually necessary.
- WealthCoin is not a guarantee of financial success.
- WealthCoin is not built upon speculation.

Rather, WealthCoin is one resource we pray God uses for His glory through faithful stewardship, transparency, education, community, and service.

FOUNDER COMMITMENT

- Leadership is a stewardship entrusted by God, not a position of personal importance nor a claim of ownership.
- I commit to pursue transparency, humility, accountability, and long-term responsibility throughout the WealthCoin ecosystem.
- I do not ask others to uphold standards that I am unwilling to uphold myself.
- Because no leader is beyond the need for wisdom or correction, I welcome both with humility, grace, and a teachable spirit.
- My prayer is that every decision made through WealthCoin reflects faithful stewardship, serves people with integrity, and ultimately brings glory to God.

Hendrick Ramirez
FOUNDER OF WEALTHCOIN

LIVING COMMITMENT

Technology will evolve. Markets will rise and fall. Communities will grow. Leadership will change.

Yet the principles upon which WealthCoin is founded remain unchanged:

Faith. Integrity. Transparency. Stewardship. Humility. Service.

These principles are intended to guide every generation of leadership and every stage of WealthCoin's development.
